VOLUNTEER CONNECTION

A publication of Presbyterian Volunteer Services

MUCH OBLIGED, *PHS Volunteers!*

It's time to tip our hats and give a mighty big thanks to all our fine volunteers who've been wranglin' up goodwill and lendin' a hand.

Like a trusty horse on the open range, our volunteers have been ridin' alongside us, pitchin' in and makin' things happen. Your dedication has not gone unnoticed. Whether it's fixin' pillows for patients or holdin' young'uns, y'all are the unsung heroes of the town.

So, this issue of the Volunteer Services newsletter celebrates you! May your hearts be as big as the New Mexico sky and your kindness spread like wildfire. Without you, Presbyterian Healthcare Services (PHS) wouldn't shine nearly so bright.

We hope those of you who attended the Volunteer Appreciation event in May had a great time! Thank you again for all you do for PHS patients, providers, visitors and staff.

As the summer sun shines brightly,

we are reminded
of the warmth and
dedication our
volunteers bring to
our community.

This season is not only a time for sunshine and relaxation but also an opportunity to celebrate and appreciate the incredible efforts of those who give their time and energy to make a difference.

The Power of Volunteerism

Volunteers are the foundation of our organization. Whether you are offering companionship to our patients, helping guests find their way, delivering food trays or serving customers in our gift shops, you make a significant impact every day. This summer, we want to shine a light on the profound impact our volunteers have and express our deepest gratitude for your unwavering commitment.

Summer Opportunities

The summer months offer a unique set of opportunities for volunteering. With schools on break and longer days, there are plenty of ways to get involved.

- We are always on the lookout for more volunteers at the information desks and in our gift shops.

Weekly Bulletins

Are you checking out the Weekly Connection volunteer bulletin from your volunteer manager? As the primary source for announcements, upcoming dates and celebrations, it is the best way to stay informed. Watch for opportunities to take part in national celebration days, submit a story about your volunteer experience or compliment another volunteer or employee.

A Special Thank You

To all our volunteers, whether you have been with us for years or just started this year, we want to say thank you. Your generosity and hard work do not go unnoticed. You are the heart of our community, and we are incredibly grateful for everything you do. Thank you for being part of our mission. Here's to a summer filled with sunshine, service and the spirit of giving!

By celebrating our volunteers and encouraging new members to join, we can ensure that the spirit of service continues throughout the summer and beyond.

A New Role for Christine D'Antico

We are thrilled to announce that Christine D'Antico has accepted the Manager of Gift Shop and Volunteer Services position at Presbyterian Santa Fe Medical Center. She has been serving in this role on an interim basis since March and has truly had a positive impact on all the volunteers and staff. Her dedication, expertise and exceptional leadership skills have not only earned her this opportunity but have also inspired admiration and respect from all who work with her.

Here are a few quotes from the volunteers and staff at Santa Fe Medical Center, wishing Christine continued growth and fulfillment in this new endeavor!

"Christine has a five-year history with us and has done a great job. She always has a positive attitude and works hard to deliver an exceptional experience for our volunteers. I am really happy she's part of our team."

—Rick Scott, President,
Presbyterian Healthcare Foundation

"No one I know is more worthy of leading the SFMC Volunteers going forward. Christine approaches every moment with calmness and grace in an environment that is both chaotic as well as challenging. Her presence is always bright and positive. Looking forward to sharing the future with her."

—John Grieco, Volunteer

"Christine! Excited to see you flourish in this role, and here to support you in any way I can!"

—Sydney Stegall, Director of Operations,
Santa Fe Medical Center

"Christine! We are thankful for your leadership and look forward to continuing to serve our patients, visitors, and staff with you!"

—John Adams, Hospital Chief Executive,
Santa Fe Medical Center

Congratulations, Seniors!

Once again, we would like to send our heartfelt congratulations to all the recent graduates in our community! We wish you the best in whatever the future brings!

Celebrating Lives

The success of our recent event isn't just about the numbers—it's about the meaningful impact it has on the lives of our residents. Take, for instance, a recent birthday celebration at the Hospice House. It wasn't just any party—it was a celebration of life and love.

The guest of honor, a former nurse, was overwhelmed with joy by the outpouring of care and attention from our staff. This patient didn't have any family and rarely had any visitors, so this party was very appreciated.

We're incredibly grateful for the support of donors like you!

VOLUNTEER NEWS

Coming Soon: Volunteer Services Scholarship Awards

The PHS Volunteer Services Scholarship Committee will be meeting in late June to determine which applicants will be awarded scholarship funds. Recipients will be announced in an upcoming PHS Volunteer Weekly Bulletin.

Please Log Your Hours

Volunteer hours demonstrate that our program is vibrant and active, so it's very important that you always log your hours. The hourly value is a calculation PHS uses in their reports to the PHS Board as well other organizations, and the hours you record are used to justify changes in staffing, budgeting requests, and other financial decisions.

Volunteer Services also uses this information to determine milestone recognition for both the quarterly newsletter and our annual volunteer appreciation event.

If you are having any difficulty with the Galaxy system, feel free to send an email or call your Volunteer Manager, who can manually enter the hours for you as needed.

New Database Update

PHS Volunteer Services is reviewing a new and more robust database that will provide our staff with better access and ease of reporting. It will also provide volunteers with better communication (e.g., reminders, training updates, notifications) and offer a better onboarding experience.

We hope to make an official announcement by the time we publish the third quarter newsletter. Stay tuned!

Honoring Past Volunteers

As the warm summer nights provide us with beautiful New Mexico sunsets, we would like to take a few moments to remember all those PHS volunteers who have recently passed. Each and every one made an impact on PHS patients, providers and staff and we are grateful to have known them. They will be missed.

*Thank
you*
