

# Weekly CONNECTION

December 12, 2025

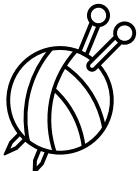

## Join us for a Fabric Sharing Party!

All volunteers are invited to bring any extra fabric, thread, needles, sewing supplies, or yarn they no longer need. We'll set everything out on a big community table at our sewing group meeting, and everyone is welcome to take whatever inspires them. We already have 15+ boxes of donated cotton and fleece fabric for you to look through, thanks to Harper gift shop volunteer Margie F!

Feel free to bring coupons, deals, or tips on the best places to find fabric around town. Let's swap, share, and spark new creative ideas together!
